## Annual Award Qualification

1) Members are eligible for an Annual Award if she played 12 rounds at the Ballwin Golf Course on "League Play Days", during the season. MLGA season has approximately 24 weeks of "League Play" to reach this "minimum". Scores from previous years do not carry over.

**Members are eligible for only one annual award.**

2) Annual Awards may include: **Most Improved** (calculated using "League Manager" System handicap at beginning of season and end of season: **Best Day** on the Golf Course (the lowest round recorded for the season) and "Flighted" winners in several categories as deemed appropriate by the Officers of the League. Examples:

- "Low Net" - Flight A, B, C, D
- "Ringer" - Flight A, B, C, D

3) Special Awards will be presented to any member who records an "ACE" (Hole in 1) or "EAGLE" during League Play.

4) Chip In and Birdie Awards will be presented for those who participated in these 2 side categories. At the end of the season, each "pool" of money is divided by the total number of Chip In's or Birdies made during the season. Players receive cash prizes based on the total of Chip-In's and/or Birdies which they made.

**What is a "Ringer"?** A "Ringer" score is established by using the LOWEST number of shots a player had on each hole recorded over the entire season. Those counts added up become the player's "BEST" or "Ringer" score.

## MLGA SCORING

Use two (2) score cards during play. Date and put **first and last names** of ALL players on each score card. Once a hole is completed, all players should exit the green and move to the next tee box. Enter all player scores on the score cards. Please note any Birdies or Chip-In's on score cards by writing the name of the player, the hole # and "Chip-In" or "Birdie". 2 MLGA players should attest by initialing next to the entry on card.

After League Play, add up the total round score for each player and enter on the score card. Compare both cards to verify that they have the same number of strokes for each player per hole and that the FINAL ROUND TOTALS for each player agree. Select 1 of the cards to be the "Official" score card. Two MLGA players **MUST** sign the card attesting that the scores are accurately listed and added.

Place official score card in the "MLGA Score Card" box" so weekly game scores can be recorded. Last group in is responsible for putting all score cards and supplies in the MLGA Drawers just outside area with the Golf Simulator. **PLEASE DO NOT** give score cards to Golf Course Staff. ALL SCORES on a card will be entered into "League Manager".

### COUNT ALL YOUR STROKES LADIES!

### FAILURE TO PROPERLY COMPLETE SCORE CARD COULD DISQUALIFY THAT ROUND OF PLAY.

Look for updates on Handicaps/Rounds Played and Birdie/Chip-In numbers on the MLGA Bulletin Board in the Club House.

**Carry a copy of the rules** - We recommend that you keep a copy of the rules in your golf bag or set **[www.mlgagolf.com](http://www.mlgagolf.com)** as favorite on your phone. If in doubt, don't argue, consult a League Officer.

**"POOLS":**

**Birdies and Chip-In's** - MLGA has established 2 categories of awards outside those covered by the League Dues. They are "Birdies" and "Chip-In's". To be eligible for either of these a member must sign up and pay an additional 5.00 for each **by the "Opening Meeting"**.

Throughout the season, if a birdie or chip-in is made, the name of the player the hole number and "Birdie" or "Chip-In" must be written on the score card. As verification, another golfer should initial the entry. (Please do NOT simply underline or circle on the score card. Your great shot could easily be missed.) In some Tournaments/Scrambles, "Birdies" and "Chip-in's" made WILL NOT COUNT due to the nature of the event (scramble format - where golfers are not playing their own ball throughout the entire hole; ie: "2 Person Scramble" and "Step Aside".)

(Birdie's and Chip-In's made will be posted periodically throughout the season for player review. If a Birdie and/or Chip-In is not showing, please notify *Handicaps/Stats* Officer to correct.)

**EVENT PLAY:**

During the season "Events" (Games and Tournaments/Scrambles) may be scheduled. Except for the Tournaments/Scrambles, these are "Optional". If NOT participating, golfer MUST note "Not playing game" next to their score and it will NOT qualify for winning prize money for that game. In addition, scores for some of these "Play Dates" WILL NOT COUNT towards Handicaps. (See "Events Calendar" for "Handicaps/Non-Handicaps" designation. Tournaments/Scrambles are generally "Shotgun Start" (where everyone tees off at the same time on different holes to start the round). These are either "TEAM" based or "individual vs individual" play. There is NO OPTION TO "OPT OUT OF PLAY". If you do NOT want to participate, please do NOT sign up to play golf on one of those dates.

**MLGA DOES NOT PERMIT "MAKE UP ROUNDS"**

the ball should have landed. You can move the leaves out of the drop area.

In short, the rule essentially means you get a free drop if you can't find your ball, are certain it's in bounds, and may, for example, be under a pile of leaves.

**"MAXIMUM SCORE PER HOLE": (MLGA RULE)**

The **MAXIMUM** score on any hole is **DOUBLE PAR**.

**Once Double Par is reached, pick up your ball.** Enter score.

**"STROKE AND NO DISTANCE": (MLGA RULE)**

Use when a ball is *Out of Bounds*, *Lost*, or *Unplayable*. This rule is intended to speed up play by allowing a golfer to locate a spot, not closer to the hole and in the playing area (rough or fairway), as near as possible to where the ball either was "*Lost*", was declared "*Unplayable*" or where it crossed the "*Out of Bounds*" line. Drop or place the same or a different ball as near as possible to that location and take your next shot with a **1 Stroke Penalty**.

**"UNPLAYABLE" BALL IN BUNKER/SAND": (MLGA RULE)**

If a ball in a bunker/sand trap is declared "*Unplayable*" where it lies, there are 2 options: 1) ball may be moved 1 club length **WITHIN** the bunker/sand, not closer to the pin, with a **1 Stroke Penalty** or 2) ball may be removed from the bunker/sand, not closer to the pin with a **2 Stroke Penalty**. (See also GENERAL RULE "*Casual Water/Ground Under Repair*" for ball in a bunker and MLGA RULE "*Bunker Not Raked*" for additional bunker/sand Relief Options and Penalties.)

**"WINTER RULES" ("Preferred Lies")** - A ball in the fairway or rough may be marked, cleaned and placed 6 inches from where it landed, but not closer to the hole. This does not apply to balls in *Penalty Areas*, unplayable lies or balls on the green. Do not improve your lie in a foreign fairway, play ball as it lies. **Winter Rules apply all season.**

**MLGA LEAGUE PLAY, SPECIAL RULES, POOLS  
AND EVENT PLAY**

**MLGA has established several "Special Rules"** intended to make playing faster and more fun for everyone. These Rules are listed below. This section also addresses "Special Pools" and "Event Play".

**MLGA SPECIAL RULES:**

**"GOLF BALLS":** (MLGA Rule) You can change golf ball used during round. (Such as: when attempting to cross the creek).

**"BUNKER/SAND TRAP NOT RAKED":** (MLGA Rule)

Play ball as it lies or (MLGA Rule) If the Bunker/Sand has NOT BEEN RAKED, you may lift the ball, smooth the sand and replace your ball with **NO PENALTY**.

**"FREE MULLIGAN OR OUT OF WATER":** (MLGA RULE)

Each round, excluding some Tournaments/Games players have the option to take **EITHER** a *Free Mulligan* (tee shot "do over") **OR** a *Free Out of Water* on any of the 9 holes of play. Let fellow golfers know when using either of these and only 1 can be used per round. If taking the *Mulligan*, the player **MUST USE** the second shot, even if it isn't better than the 1st. With the *Out of Water*, the ball may be removed from the water or a new ball may be used. Drop should be taken "in line" with the point where the ball entered the **PENALTY AREA**, not closer to the pin and as far back as you like. There is **NO PENALTY** stroke assessed in either case.

**"LEAF RULE":** (MLGA RULE) At any time during the season, MLGA may declare, **BEFORE PLAY**, that the "Leaf Rule" is in Play. This rule is intended to speed up play, whenever loose impediments, (such as leaves) or excessively high rough, make it impossible to find a golf ball.

If a ball is believed to have landed in a pile of leaves, in the fairway, rough or in a bunker (NOT OUT OF BOUNDS) and can't be found within 3 minutes, take a **FREE DROP**. Drop as near as you can from where the

**Penalty Area** - Any area on the course marked by Red/Yellow stakes. Water Hazards are now ***Penalty Areas***. Loose impediments can be removed so long as the ball does not move. Club can touch the ground/water in these area, as well, so long as it is not in front or behind the ball. Practice swings can be made in ***Penalty Areas***, but if in a bunker, the club cannot touch the sand.

**Practice Swings** -No more than 2 practice swings on the tee box or on fairway. (A **stroke is counted if you intend the strike the ball and miss it** - "Whiff".)

**Repair Divots and Damage** - **Without Penalty**, repair divots on tees and fairways. Also carry a *green repair tool* to repair ball marks or any other damage to greens, such as, spike marks and animal damage.

**Shots** - Keep track of your our shots and be be prepared to announce score when you reach the next tee box. If you **"SWING AND MISS"** when attempting to play the ball, that is a **STROKE** and **MUST BE COUNTED!** ("WHIFF")

**Trees** - A ball landing near a tree or bush may be played as is **Without Penalty** or may be declared **"Unplayable"**. (See PENALTIES, BOUNDARIES, HAZARDS AND RELIEF - *"Ball Not Found/Lost, Out of Bounds or Unplayable"* for Relief and Penalties)  
A ball landing near the trees representing the 150-yard marker may be moved for swing and stance **WITHOUT PENALTY**.

**Flag Stick** - The Flag Stick **NO LONGER** has to be removed before putting. There is **No Penalty** for hitting a flag stick or ball on the green from **off** the green. If another ball is hit, it must be replaced as close to the original position as possible. If a any part of a putted ball is below the lip of the hole, it is considered HOLED.

**PLEASE** tend the flag for other golfers. (**DO NOT** loiter at the green to firgure scores, as golfers behind you may be impacted.)

**Golf Balls** - Please mark your ball before teeing off to avoid playing the wrong ball. (See PENALTIES, BOUNDARIES, HAZARDS AND RELIEF - "*Wrong Ball*" for Penalty) (MLGA permits use of a different ball when attempting to cross the creeks.)

**Golf Cart/ Pull Cart** - Take your cart passenger to her ball. Leave her with several clubs, drive immediately to your ball. Keep golf carts 30 feet from greens. Do not take pull carts on shoulders of green and **DO NOT** leave them in the "**line of flight**" for golfers behind your group.

**BEST PRACTICE NEVER WALK BACK TOWARDS INCOMING PLAYERS WHEN GOING TO YOUR PULL OR GOLF CART!**

**Lost Ball** - Please help search for lost balls once you hit your shot. Maximum time to search is **3 MINUTES**. (See PENALTIES, BOUNDARIES, HAZARDS AND RELIEF - "*Ball Not Found/Lost, Out of Bounds or Unplayable*" for Relief and Penalties.)

**Man-made Obstructions (Artificial Obstructions)** - Man-made objects on the course that interfere with either your stance or your swing. Such as: sprinkler heads; 150 yard marker posts; inground yardage markers; roads cart path; curb etc., unless defined as "Out of Bounds" or in a "Penalty Area (such as the fences) or is considered an "intregal object" as defined by local rules. Player may take FREE RELIEF (1 club length, no closer to hole)

**(Rock edging at the creek is in "PENALTY AREA" -NO RELIEF.)**

"Pace of Play", if necessary. Repeated slow play will result in a "Penalty", such as, being asked to play at the LAST Tee Time. This, however, **does not exempt** that group from playing a round in under 3 hours. **Faster players should be allowed to "play through" and they should if there is a gap in from the group ahead. No gap, PLEASE BE PATIENT!**

**Play "Ready Golf"** - Tee off as soon as the group in front is clear. (Your shot will NOT reach them). Don't worry about "honors", if you are ready, hit your tee shot. Be ready to tee off once you reach the new tee box. Watch other shots and help locate balls, if needed. When possible, go directly to your ball, **with your clubs**, and be ready to hit. Ball furthest from the hole is, generally, played first. **(Stay safe, watch other shots.)**

**Rude or unladylike conduct is NOT ACCEPTABLE.** Hold your **TEMPER** to both golfers and staff of the Golf Course.

**Casual Water, Ground Under Repair** - if ball lands in "casual water" (any accumulation of water on the course, other than a ***Penalty Area***, due to rain or watering), an area marked with stakes as being "under repair" or a hole made by a burrowing animal, player has a choice of playing ball as it lies or ball can be lifted, cleaned and dropped within 1 club length, no closer to the pin, and played with **NO PENALTY. This includes balls in a bunker/sand trap.** Balls in a bunker/sand trap **MUST** remain in the trap or may be declared "**Unplayable**" using that rule for relief and penalties. (See MLGA Rule - "*Unplayable Ball in Bunker/Sand*" for Relief and Penalties.)

**Dropping the Ball** - Balls should be dropped from **KNEE HEIGHT.** (Generally you go back as far as you want. **NEVER** drop closer to hole.)

**Embedded Ball** - If a golfer's ball is embedded in the ground, no matter where it is on the course (NOT in a ***Penalty Area***), it can be removed and dropped within 1 club length from the spot, not closer to the hole. Ball is not embedded if it is below the level of the ground as a result of anything other than the players previous shot.

If you **MUST** sign up for someone else, **PLEASE ENTER THEIR NAME** as the "**Alternate Name**" before saving the Tee Time. If signing up someone with you: **Change the number of players to 2,3 etc.** and enter **THEIR NAME(S)** in the "Comments". If someone else signed up for you and ou CANNOT play, contact them to make the change to Genius.

**NOTE:** It is up to **YOU** to get yourself signed up for Tee Times. **THE LEAGUE CANNOT SIGN UP FOR YOU EACH MONTH.**

The **cut off** to add or make changes to Genius is **NOON** on the Sunday before league play. For Changes/Cancellations **AFTER NOON**, you must **CALL** the course on Monday morning (not before) at **636-227-1750**.

If you do NOT ARRIVE 30 minutes prior to your start time or call to let them know you are on your way, your tee time may be given away. The golf course likes to send out groups of 4 whenever possible and will move players around. Your playing partners CAN be sent out without you.

**Play Date** - Determined each season as Monday mornings during the length of the MLGA Golf Season, generally April thru October. If a "Play Date" falls on a Federal Holiday or is deemed to be "cancelled" for weather conditions, it will NOT be counted for the season. A "Play Date" is deemed "cancelled" if less than 25% of the number of golfers signed up to play that day are able to complete the round.

In fairness to the entire MLGA Membership and because "Cancellations" are NOT counted as "Play Dates", any players who are able to complete a round will NOT have their scores counted for handicaps, "Birdies" or "Chip In's" or part of the number of "rounds" per season.

Per the Ballwin Golf Course, refunds/rainchecks will NOT be issued if a player completes 3 holes of golf.

**Pace of Play** - Ballwin Golf Course estimates a round of golf at **2 hours and 40 minutes. Please adhere to this.** The League will monitor

# MONDAY LADIES GOLF ASSOCIATION (MLGA)

## GENERAL COURSE RULES AND ETIQUETTE

**The Monday Ladies Golf Association (MLGA)** is a 9-hole recreational women's golf league played **Monday mornings** April thru October. Membership Fee is established annually and **must be received** by the league predetermined date each year. The only exception is for new members added after that date.

**League Qualification** - To maintain membership in this league, ladies are expected to play not less than **8 "handicap"** rounds during the season. (A "handicap" round is a 9-hole score that is actual and can be used to establish a handicap for the player.) Failure to do so, without contact with any of the League Officers, will result in removal from Membership for the following season. The League understands that "special circumstances" may prevent a member from playing the required 8 rounds. Let the league know the reason you were unable to play the minimum; decisions made on a case-by-case basis.

**Tee Time** - Make tee times using ***SignUpGenius.com*** (Membership Fee must be paid before invitation to sign up for tee times.) New tee times will be opened on the 15th of each month. An e-mail from ***Genius*** will be sent when open. Wait for it! ***NO EARLY SIGN UP!***

**YOU MUST BE SIGNED INTO GENIUS TO SELECT, SAVE, CHANGE OR DELETE TEE TIMES!**

**PLEASE SIGN UP FOR YOURSELF!** Only the person signing up using Genius can make changes to that sign up. If, after you have selected tee times, you discover you are not going to be able to play golf at your selected time AND it is **BEFORE NOON** on the Sunday before play, **PLEASE** delete your name from ***SignUpGenius***. Please "open" that tee time.
