

## MLGA MESSAGES

### OCTOBER 2023

**October 3, 2023**

Ladies,

We had lovely weather on Monday, but it sure looks like migration back to warmer climates has begun, as only 46 ladies came out to play golf. This happens every October but it just kinda hit me that the season is almost over. Makes me sad in a way but happy that we had another great season of MLGA Golf because of all of YOU! Thanks for keeping our average golfers at 61 which is a 69% utilization each week. Ballwin Golf Course and all your MLGA Officers are very, very happy with that!

Officers are scheduled to meet next week to finalize our End of Season plans for the luncheon, awards, prizes, etc. As a reminder, the End of Season Luncheon will be November 6. Expect an “E-Vite” next week so that we have a couple of weeks for you to RSVP and for us to collect money before the last league golf day, October 30<sup>th</sup>. This lunch is always such a great time, I sure do hope that you can attend.

Our last little “game” for 2023 is October 16 when we will have 3 chances for you to win prize money. We will have “Closest to the Pin” on holes 4 and 9 and “Closest to the Line” on hole 5. Hope everyone is accurate and far on the 16<sup>th</sup>.

#### REMINDERS:

To be invited back for the 2024 Season you need 8 “play dates” or you need to notify me why you have not been able to play this season. We have many members who have had health issues and been unable to play and my “Injured Reserve” list is pretty long. We still have a pretty good number of ladies who are waiting to get into the MLGA, but we don’t want to lose any of you if your health is better and you want to play next season.

It also takes 12 rounds of golf (where your individual scores count for Handicaps) to be eligible for End of Season Prize money. So see how your doing by checking the MLGA side of the bulletin board in the club house or go to our website: [www.mlgagolf.com](http://www.mlgagolf.com) (Membership Section) for links to both “Rounds/Handicaps” and “Birdie/Chip-In’s”.

That's it for another week. Until next time, enjoy the beginnings of fall, and I hope to see YOU at the golf course!

Debbie Fagin
